### **New European Jazz Chart**

A number of jazz magazines from across Europe have come together under the banner Europe Jazz Media to work on common objectives in encouraging and strengthening interest in jazz and spreading awareness of the development and diversity of the music. One of the first initiatives is the Europe Jazz Media chart: a non-sales related chart that reveals some of the hot new music surfacing across the continent right now.

***Henning Bolte, Jazzism:***

Nicolas Masson/Roberto Pianca/Emanuele Maniscalco "Third Reel" (ECM)

***Lars Grip/ Patrik Sandberg, Orkester Journalen:***
